

Life is a jewel,

A

Gift of the Absolute,

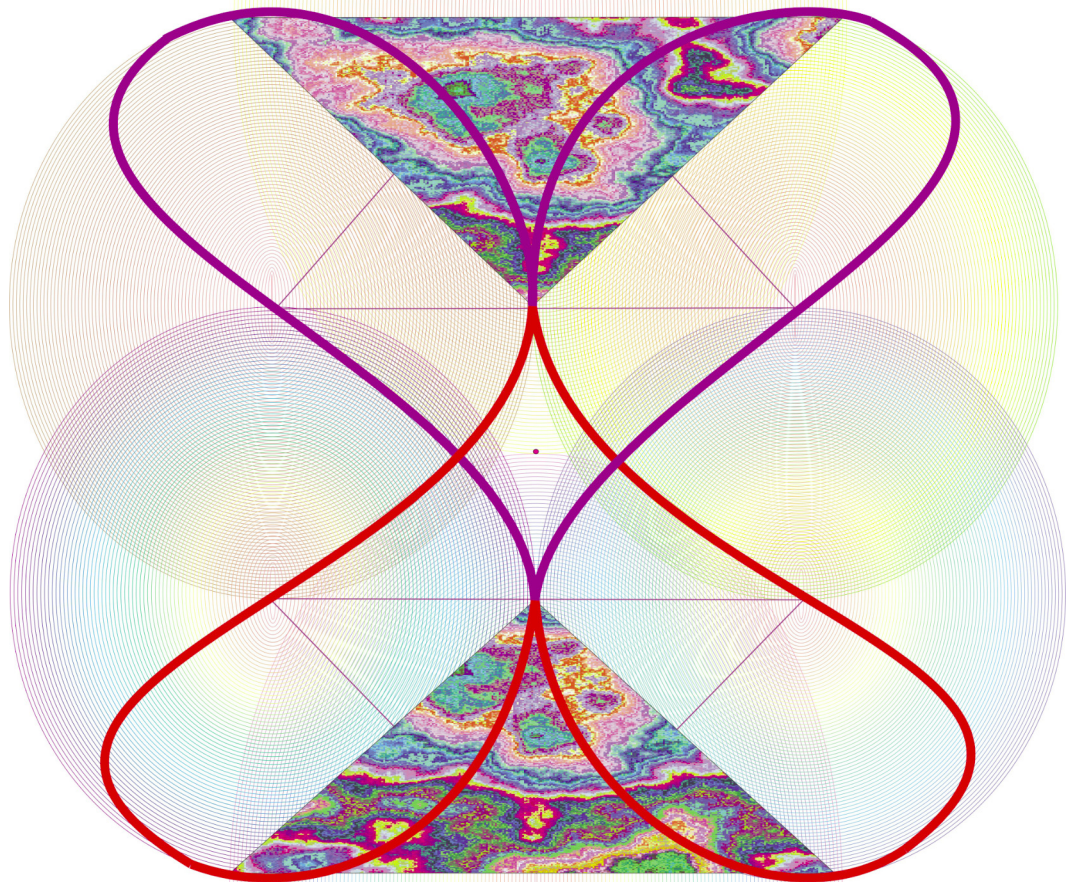

Which compares and equals no-thing,

Other than its own defense and purpose. (H.B 12/2004)

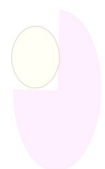

12/2008

Dedicated for All, who suffered for the Well-Being of Ethiopia!

Merry Christmas

Happy New Year

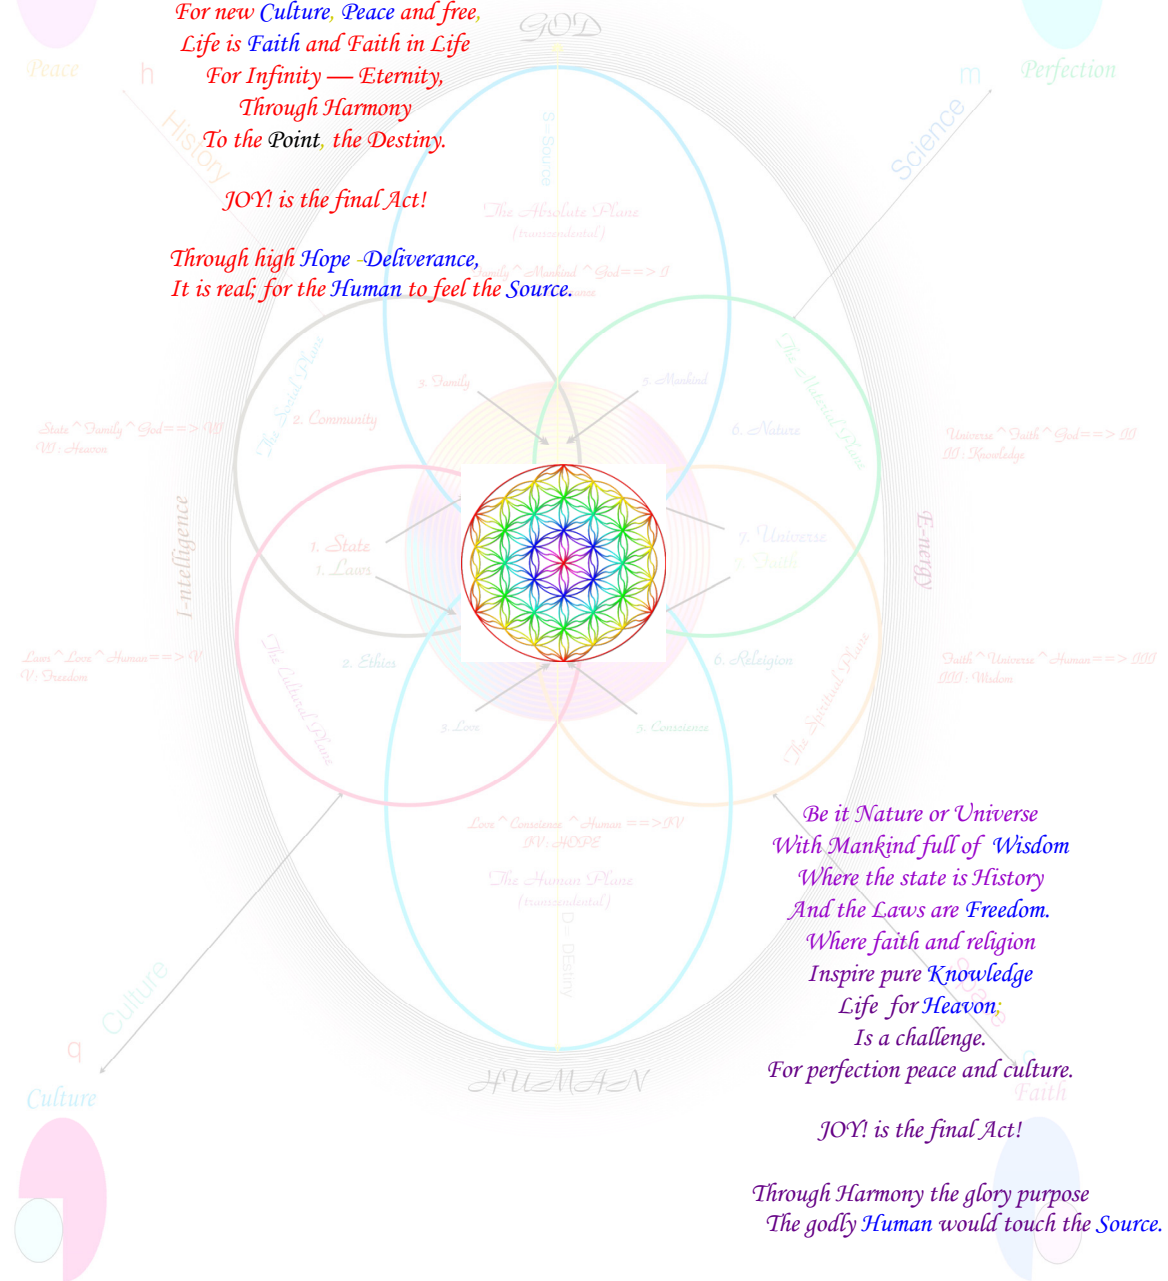

Peace

May Science make it to Perfection
 With Time and Space,
 New Dimension.
 May Culture be pure and Human
 Would History cease to be?
 For new Culture, Peace and free,
 Life is Faith and Faith in Life
 For Infinity — Eternity,
 Through Harmony
 To the Point, the Destiny.
 JOY! is the final Act!

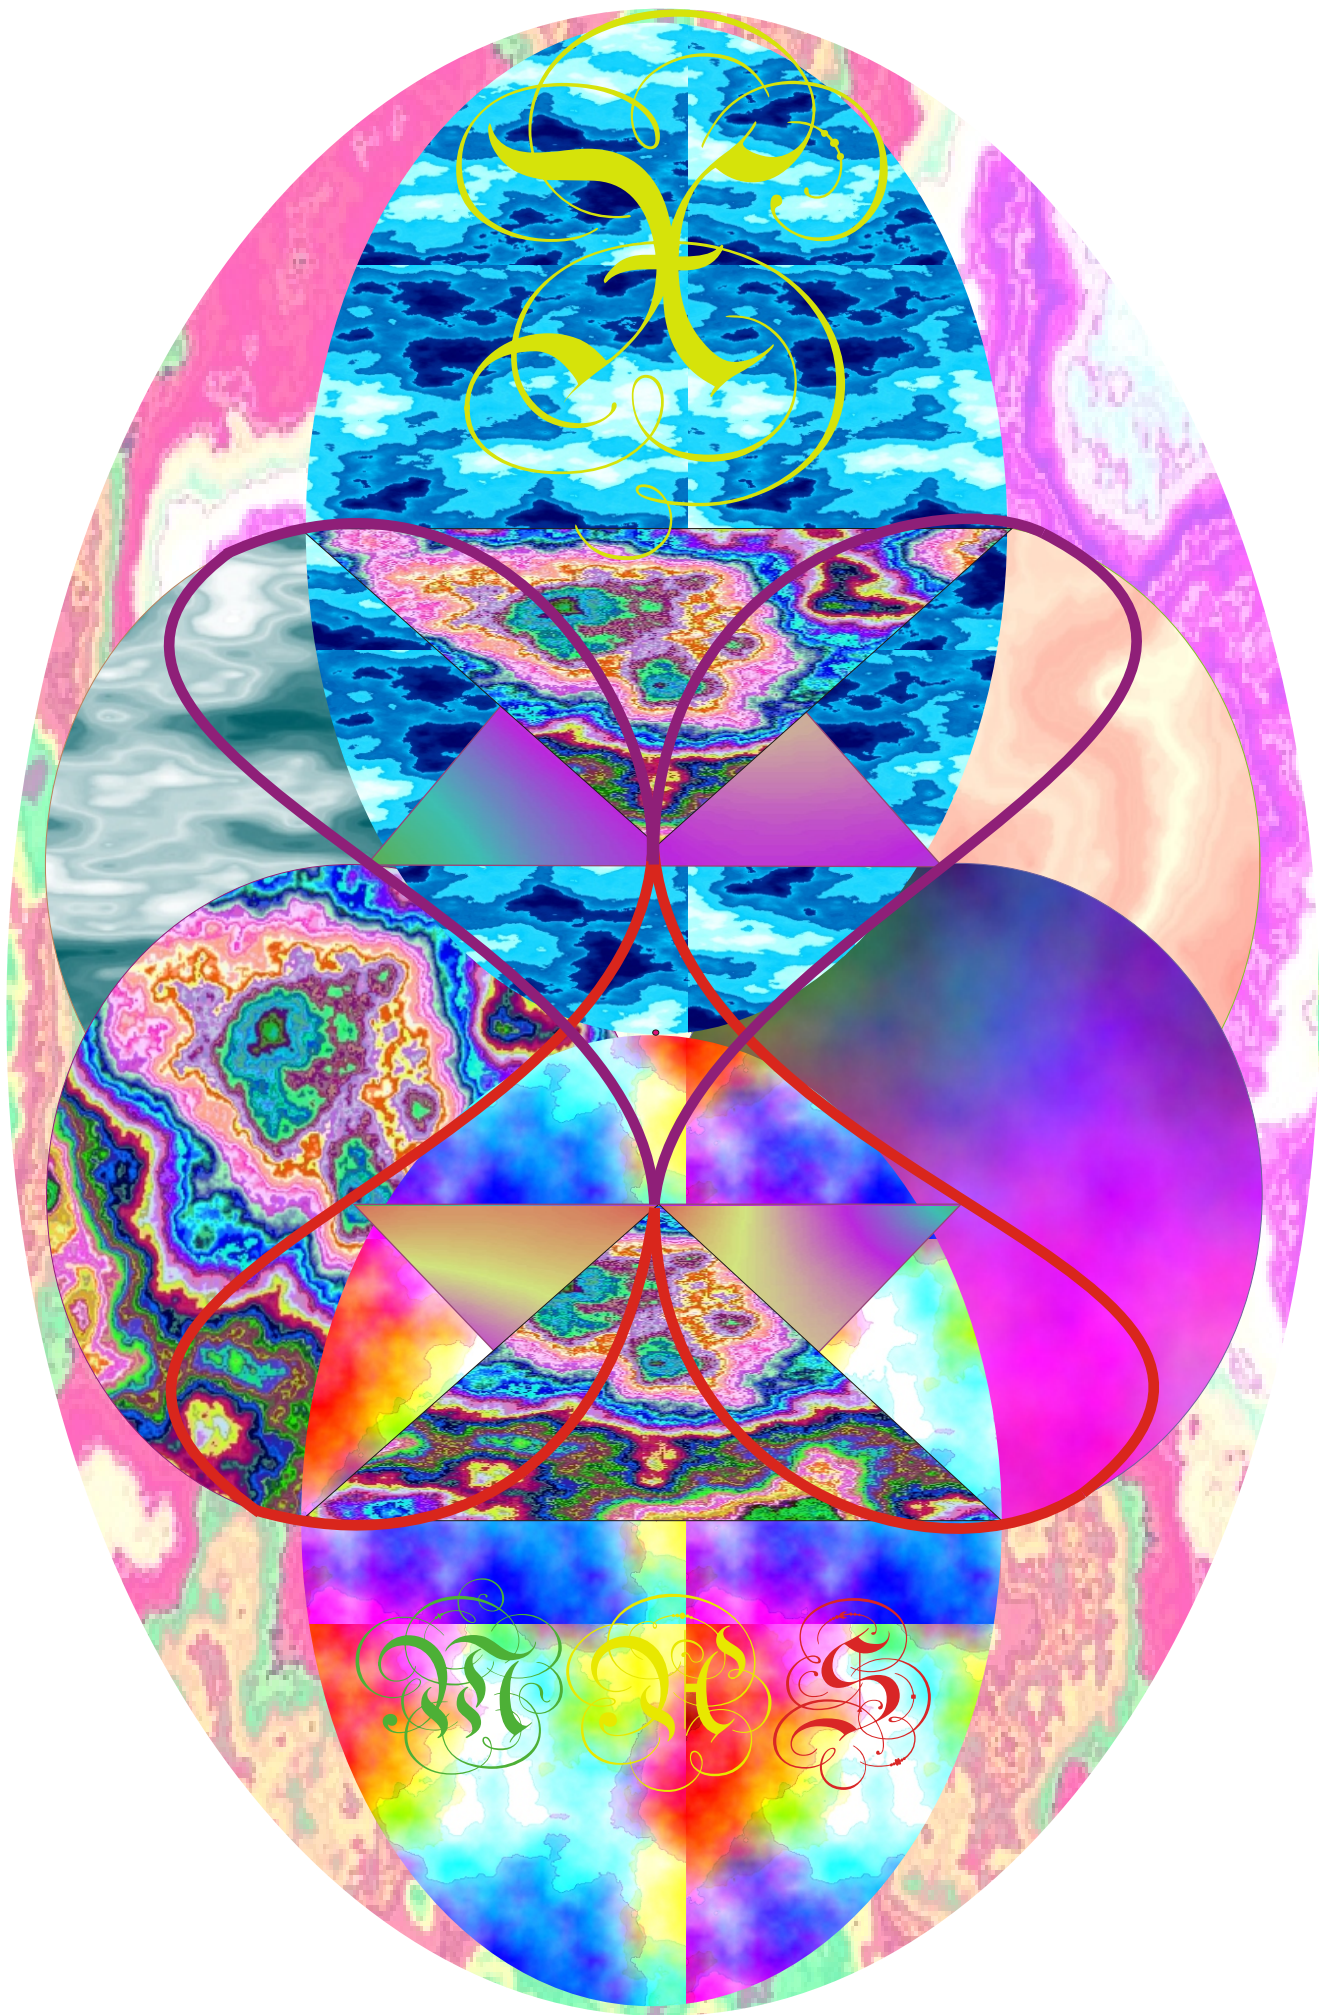

Through high Hope -Deliverance,
 It is real; for the Human to feel the Source.

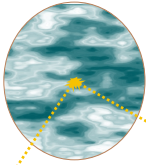

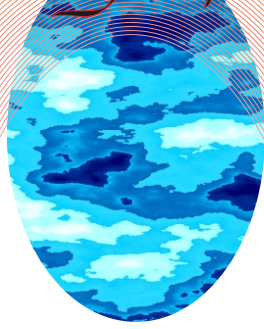

Perfection

Be it Nature or Universe
 With Mankind full of Wisdom
 Where the state is History
 And the Laws are Freedom.
 Where faith and religion
 Inspire pure Knowledge
 Life for Heaven;
 Is a challenge.
 For perfection peace and culture.
 JOY! is the final Act!
 Through Harmony the glory purpose
 The godly Human would touch the Source.

"What interests me is the entire structure, the spiritual structure and hierarchy of the universe, in which every individual person is a spiritual being and only temporarily a corporeal being, a 'person', a timeless individuality, an eternal spirit," (Die sieben Tage der Woche, " Karlheinz Stockhausen, Conversation with Rudolf Werner, 169)

4. Thursday

The Purpose of Life (Quintessence)

The purpose of Life is to develop the godly nature of Mankind and create the harmonious Human being after generations.

The quintessence of life lies on

- I. The social plane
- II. The cultural plane
- III. The Material plane
- IV. The Spiritual plane

The interfaces on the transcendental level are

- V. The Human plane (consisting of these four planes)
- and
- VI. The Absolute plane (consisting of all the planes)

There are eight Dimensions making the Backbone of these Planes

- | | |
|---------------------------|------------------------------------|
| 1. The State & Laws | 5. Mankind & Conscience |
| 2. Community & Ethics | 6. Nature & Religion |
| 3. Family & Love | 7. The Universe & Faith |
| 4. The Human Being & Hope | 8. God, The Absolute & Deliverance |

These Dimensions have their corresponding Axis:

- | | |
|------------------------------------|-------------------|
| 1. Humanity (h) | 5. Mass (m) |
| 2. Intelligence/Consciousness (I) | 6. Energy (E) |
| 3. Music (q) | 7. Light (c) |
| 4. Destiny (D) | 8. The Source (S) |

Analogous to the Einstein theory of relativity, which is formulated for the Material & Spiritual plane (in the Godly Hemisphere) by

$$E=mc^2 ; \text{Energy} = \text{Mass} \times (\text{Speed of Light})^2$$

there may be a social reality which can be formulated by

$$I=hq^2 ; \text{Intelligence} = \text{Humanity} \times (\text{Quality of Music})^2$$

for the social & cultural plane (in the Human Hemisphere.)

*According to this Model, the Purpose of Life is **HARMONY** within and between the four Planes of Life and achieving the corresponding **Higher Objectives** of Mankind:-*

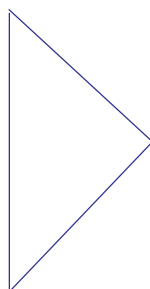

Peace, Culture, Perfection/Wealth and Faith.

This will give birth to the godly Human, the Destiny, ready to rejoin its Source.

The Present is however unhappy and full of disharmony. The unhappy present is due to this disharmony within and between these planes of Life.

Today:

Is that all real,
Is that HISTORY?
Is it SCIENCE, Or
PERFECTION?
Is that all you see?
Is that the HUMAN;
You are searching for?
The PEACE or the CULTURE;
You are longing for?

Tomorrow:

May you have the FAITH?
Beyond the Time, across the SPACE
Over the breath
The moment you sense,
The touch of bliss,
The Music, the Light,
You are enlightened,
You are across, over the cross
Life is a Jewel, It has a Purpose
